Russianbare Naturist Family In the town of Rovaniemi, Finnish and Russian families mark Christmas Day in the nude. A holiday family is the best in the world. And there is no place better than in the family. Happy family of the North Pole, happy family of the South Pole and all the European family, that's for everyone. Father has completed his vacation and is in jubilation. Good evening and Merry Christmas to the whole family! He's going to open a bottle of Champagne or a cognac and pour the drink of happiness for everyone in the family. "Mother, come to sit down. We're celebrating our vacation and the vacation of all the family. And of course, the vacation of all the children. The dear children of the Northern Hemisphere have earned this holiday! Cheers! To our abundance of family holidays! Oh, God, our family holidays. Our family life, without a doubt, is the best in the world. son, your holiday is our holiday. This is, I swear to you, the happiest day of my life. I want to tell it to you. I want to tell you everything. Let's go to the beach, what about it? Does the beach have to be there? You're right, the beach can be anywhere. But it's there. What about it? I ask because I can't really remember. Have I ever been to the beach? What are we doing? I remember it vaguely. What do you mean, you can't remember. The beach? I don't know. I don't remember. It's the summer of 1963. Dad, where is the vacation of our family? Where? In Germany,
